The picture is of the C. W. Lynn Abstract Co., Inc. 117 South Seventh Street. I believe the picture was taken in the 1920's. I also believe they had an office on West Crawford before they moved the company to the 7<sup>th</sup> Street location.

The C. W. Lynn Abstract Company was the exclusive abstractor of titles for Saline County, Kansas.

The land abstracts were given to Smoky Valley Genealogical Society and Library when the abstractor office closed. The abstracts came to SVGS in many, many "banker boxes". Each abstract was folded in the standard legal document manner.

The SVGS Librarians meticulously unfolded each abstract and placed it in a legal size manilla folder. This was a multi-month project and each abstract was placed under heavy books to flatten the documents. The flattening also took many, many months. Finally, the set of abstracts were sorted into City of Salina Additions and Saline County Section - Township - Range

Linda Taylor took on the project to write the legal description on the manilla folder and then file it on the library shelves exclusive for the abstracts.

SVGS is in the process of creating a computer index to the abstracts. Upon request, the Librarian will do a search for you.

Check with us from time to time. Maybe your property will be indexed and filed.
