MONTHLY MEETING DATE

Meetings are held the second Saturday of each month from September to May at 2:00 p.m. in the Community Room of the Smoky Hill Museum Building.

President's Message

Dear SVGS Friends,

I apologize for being so tardy in getting out this issue of the *Tree Climber*. Now that life is getting back to our "new normal," I'm hopeful that I can resume most of my duties with SVGS.

I'd like to take this opportunity to say a big "THANK YOU" to my fellow SVGS Board members! During the five months that I was absent with my husband's illness, Nanc Scholl, Kathy McCullough, Janet Flickinger, Sandy Farrell, and Sue Harmon took up the reins and kept the Society going and the library open. They will never know how much I appreciated their help!

I'd also like to thank all the members who sent cards, emails, Facebook messages, and called me while I was away. Your love, support, and prayers helped us get thru 75 days at KU Medical Center and the 6 weeks at the rehab facility here in Salina.

I am happy to report that my husband is home and doing well. It's been slow going, but after two major surgeries within two months and complications that we never dreamed of, he is back to doing some of the things that he enjoys. Thankfully for him, he has no memory of most of his time at KU Medical Center.

This entire experience humbled me and also made me appreciate how fragile life is. More than once, my husband's life hung in the balance and it's due to the wonderful love, care, and experience that the doctors and nurses at KU Medical Center have and share so willingly, that my husband is with me today. I made many wonderful new friends, but I missed my SVGS family.

Again, "Thank You" one and all!

Sincerely,

Mary Jane McIntire, Pres. SVGS

Daughters of the American Revolution

DAR Motto: God, Home and Country

The DAR, founded in 1890 and headquartered in Washington, D.C., is a non-profit, non-political volunteer women's service organization dedicated to promoting patriotism, preserving American history, and securing America's future through better education for children.

DAR members volunteer millions of service hours annually in their local communities including supporting active duty military personnel and assisting veteran patients, awarding thousands of dollars in scholarships and financial aid each year to students, and supporting schools for underserved children with annual donations exceeding one million dollars.

As one of the most inclusive genealogical societies in the country, DAR boasts 180,000 members in 3,000 chapters across the United States and internationally. Any woman 18 years or older-regardless of race, religion, or ethnic background-who can prove lineal descent from a patriot of the American Revolution, is eligible for membership.

Smoky Valley Genealogical Society was given permission to share the following pages of the charter memberships of the Salina DAR Chapter. The Mary Wade Strother Chapter, DAR, was organized on October 9, 1922 with 33 members. The following history of the chapter is printed in their yearbook.

Mary Wade Strother Chapter, DAR

The Organizing Regent of this Chapter, Grace Lesta Snyder, was a lady of unusual charm and intelligence, a lady highly respected by other organizing Charter members. Snyder was a descendent of John and Mary Willis Wade Strother, early settlers in Virginia's Rappahannock Valley, where they built their home "Wadefield." John Strother served as an officer during the American Revolution. He held his wife in high and tender esteem and exacted from all his household that they treat her with the deference due a woman of such noble character. When Mary Wade married, she brought a tiny pear tree to her new home, and from a branch of this same tree was carved the gavel used by the Regents of Mary Wade Strother Chapter today.

By the Superintendent.

PRESENTATION OF DIPLOMAS, L. A. Davis, President Board of Education.

> BENEDICTION, Rev. T. V. Davies.

Rain, Rain Go Away, Come Again Another Day

With all the storms and heavy rains in our area recently, we decided to take a look back to May 1903. Salina was devastated with flood waters, but we were not the only community affected. Abilene, Manhattan, and Topeka all were hit with high water. The short summary below tells about how badly Abilene, KS was hit with the rising waters.

The following is taken from the Abilene Reflector of June 2: "A furious flood swept Abilene. The city suffered a loss of over \$100,000. Mud Creek tears its way through the town. Hundreds of cellars were filled. Sherwood Murphy drowned. On Monday night a tremendous rain fell extending northwest of the city and sent Mud Creek out of its banks and into the lower part of the town but quickly receded. On Tuesday was more rain with hail and all the terrifying accompaniments of the cyclone to add to the people's alarm. Wednesday was pleasant except for brief showers but the Smoky continued to rise. Thursday, May 28, broke lowering and dark. By 9 o'clock lamps were necessary. Court adjourned and business was practically suspended. A drenching downpour fell the entire day. Over the Smoky Hill valley it extended, reaching its greatest force between Salina and Manhattan. At 3 o'clock the next afternoon the water was three feet deep at Fourth and Broadway. From 9 a. m. to 1:30 p. m. the rain farely darkened the sky, then slowed for a time, after which it resumed active operations that continued until midnight. Just how much rain fell in those 12 hours no one will ever know, but certainly not less than 10 or 12 inches. At 7 o'clock the water was 16 inches deep on the crossing, two minutes later it was three feet deep on the same crossing. At 10 o'clock the water reached its highest point and stood for a time, after which it receded rapidly. During the 12 hours that the water flowed through the town the current was so swift that a strong man could not breast it. At its deepest point on West Fourth street near Broadway, it was 6 to 8 feet deep. It filled to some extent every basement and cellar on the townsite. In the Reflector office the water touched the ceiling in the press room. In the Chronicle and News offices a similar condition existed. As the water weakened the foundation of the three-story block at Third and Cedar streets, it collapsed into a heap of debris."

Wrecked buildings on corner of Fourth and Cedar streets at Abilene, Kan., caused by the flood.

View of Santa Fe track between Abilene and Enterprise during the flood.
