=====

President's Message

Dear SVGS Friends,

It's that time of year again.....time to pay our membership dues to SVGS. You will find a 2017 Membership Application on the next page. Our annual dues help keep the library open by paying for our internet service, phone service, and copier maintenance. Please try and pay your dues prior to December 31, 2016. We appreciate your membership and your donations!

It's also time to remind everyone with Winter approaching, that there may be days when the library is closed to due to bad weather and slick streets. If you plan to visit on a day that may be "doubtful", it would be wise to call and make sure that a librarian is here. Our phone number is: 785-825-7573.

Last, but not least, it's time to remind our membership of the upcoming SVGS Christmas Potluck Dinner. That will be held on Saturday, December 10, 2016. Lunch will start at noon. SVGS will provide the meat, tableware, and napkins. We ask that members bring a side dish of their choice.

Happy Hunting!

Mary Jane McIntire, Pres. SVGS

District 67 — Sunnyside (East)

Organized on November 4, 1879. Entire district was in Camp Phillips area and was disorganized on August 2, 1942. Building originally located in the southeast corner of Section 2 of Summit Township. New school was later built one-half mile south in Section 11. Remodeled and a basement built in 1927 at a cost of \$1,432.64. Property sold to U.S. Government and the building was eventually destroyed.

Building originally in Section 2 of Summit Township — later made into a home.

Negro School Board Of the Nine Families Living In The District, Six are Colored.

The same school board in district No. 67 in Summit township will be on duty there again for another year as the result of the school board election held yesterday. All of the members of the board are colored men. J. W. Price, one of the members of the board, was in Salina today and he said that it had been the intention to give the white population representation on the board. The colored voters had decided on the man for the place and expected to cast their votes for him, but no white people appeared at the meeting. The colored director was re-elected for another three years..... He says that there are nine families: three white and six colored in the district and that four of the 17 children of school age were colored.....

District No. 67 is remembered as the district, which so prominently before the public last winter in the dispute over the hiring of a teacher. A colored teacher was hired as usual, but the county superintendent refused to endorse her certificate and placed a white teacher in the school. The school board and colored teacher finally won in the state supreme court and have had charge of the school for the last two months.

Old Newspaper Article

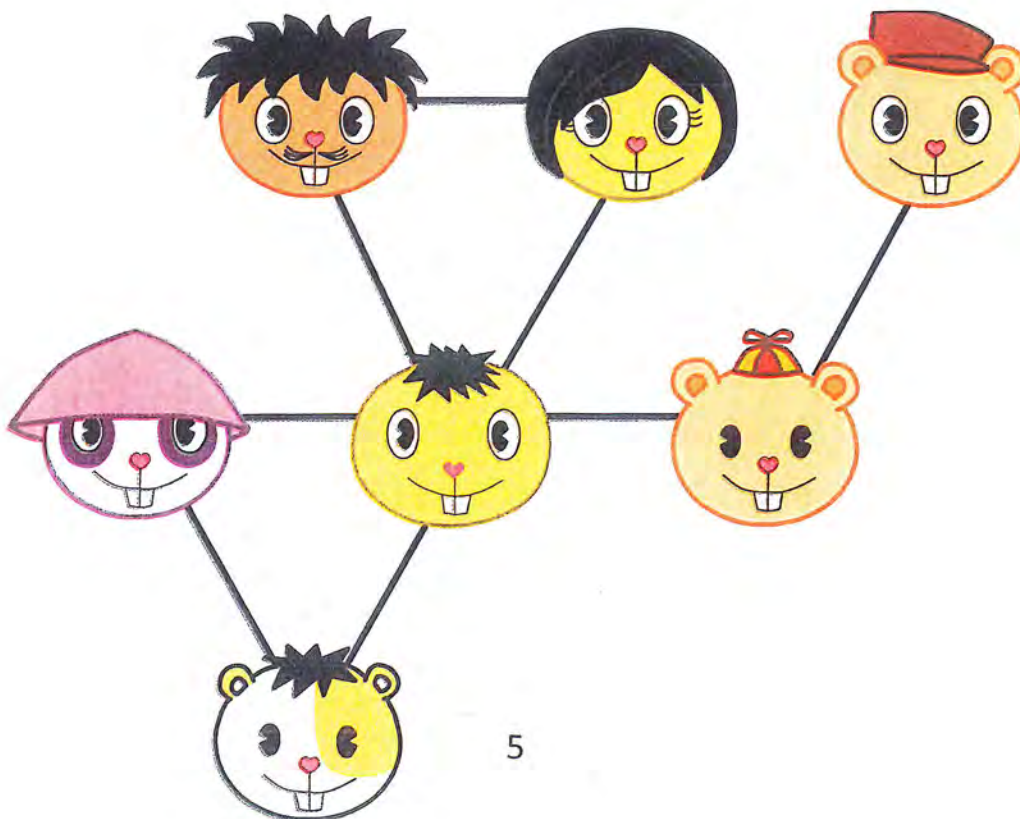

Recently, I was reading thru the Marion, KS "*Marion Record*" newspaper. I was searching for an obituary, but as we all are guilty of, I became side-tracked with reading other items. The following item was taken from the "*Marion Record*", dated 29 August 1902, Pg. 7, Col. 4. It just goes to show that folks have been curious about their genealogy for years and years! I have re-typed it because the newspaper did not copy well.

Descent of King Edward

The Family Tree of the Sovereign of Great Britain Has Many Branches

The following genealogy of the kings and queens of England was written during the reign of Queen Victoria, and by prefacing it with "Edward VII, who was the son of Victoria," says a London paper, the reader will have the genealogy complete to William the Conqueror: Victoria, who was the niece of William IV, who was the brother of George IV, who was the son of George III, who was the grandson of George II, who was the son of George I, who was the cousin of Anne, who was the sister-in-law of William III, who was the son-in-law of James II, who was the brother of Charles II, who was the son of Charles I, who was the son of James I, who was the cousin of Elizabeth, who was the half-sister of Mary, who was the half-sister of Edward VI, who was the son of Henry VIII, who was the son Henry VII, who was the cousin of Richard III, who was the uncle of Edward V, who was the son of Edward IV, who was the cousin of Henry VI, who was the son of Henry V, who was the son of Henry IV, who was the cousin of Richard II, who was the grandson of Edward III, who was the son of Edward II, who was the son of Edward I, who was the son of Henry III, who was the son of John, who was the brother of Richard I, who was the son of Henry II, who was the cousin of Stephen, who was the cousin of Henry I, who was the brother of William Rufus, who was the son of William the conqueror, who was the son of his brother.

Have you ever seen a family tree with more twists and turns????? Don't think so!!!!

**DANISH AND SWEDISH IMMIGRANTS COMING TO
SALINE COUNTY, KANSAS**

MAY 1868 - JULY 1903

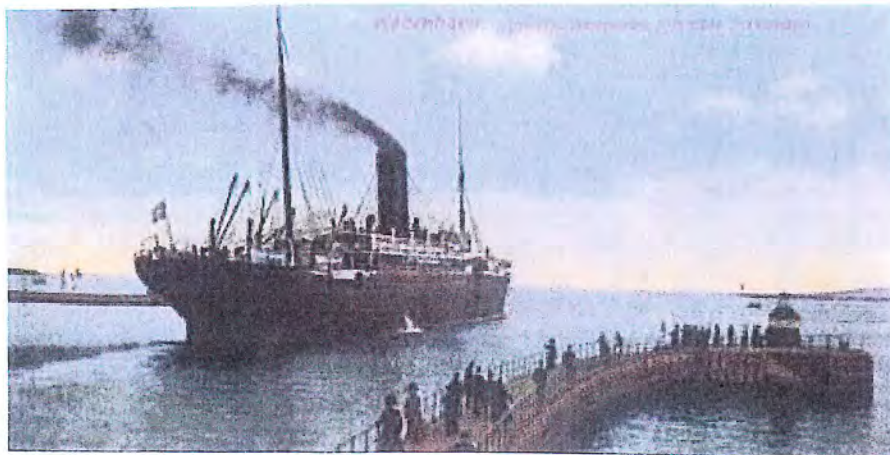

As Reflected by Records of the Copenhagen Police Department

On May 1, 1868, in the wake of numerous scandals involving trusting emigrants who had been cheated by Danish Emigration agents, the Danish parliament passed a law calling for the stricter regulation of these agents. In accordance with this law, the Copenhagen Chief of Police had to approve and monitor the work of all the emigration agents in Denmark and to authorize all tickets to overseas destinations. This was to be done regardless of whether the migrant sailed directly from Copenhagen to the United States or indirectly, via another European harbor. 394,000 Danes emigrated during the years 1869 - 1908.

Genealogists are able to search the *"Danish Demographic Database"* found at the following address:

www.ddd.dda.dk_en.htm

The following is a listing of those Danish and Swedish immigrants who were cleared thru the Port of Copenhagen and listed their destination as Salina, Kansas. To see greater detail, visit the above website.
